Bayview Construction signed to renovate Witham Field building for Liberator Medical Supply expansion

Stuart, Fla. (October 23, 2009) – Bayview Construction, a Stuart general contractor, has been signed by Liberator Medical Supply, Inc. to renovate a 24,000-square-foot office building at Witham Field.

“I’m proud to say this is our third project for Liberator Medical Supply. The prior two required a fast-track approach and this one is no exception! Demolition of the interior began as soon as the ink was on the contract,” said Ken Ringe, president of Bayview Construction.

Expansion plans and the leasing of the office building were announced by Liberator Medical Supply earlier this month. Once remodeled, the office will serve as a call center and accommodate up to 200 employees.

The project is expected to be complete in six weeks.

Liberator Medical Supply is a national provider of more than 5,000 medical supplies and products to patients who suffer diabetes, mastectomy, ostomy and urological conditions. It is a wholly owned subsidiary of Liberator Medical Holdings, Inc. (OTCBB: LBMH). For more information, visit www.LiberatorMedical.com.

Bayview Construction, headquartered in Stuart, is a certified state-licensed general contractor. Bayview has been in business for 31 years, is a national award-winning company, and a Treasure Coast Builders Association (TCBA) Builder of the Year award recipient. For more information, visit www.BayviewConstruction.com.
