To Whom It May Concern:

The Board of Directors and I would like to thank Bayview Construction, particularly Robert Tucker, for the professional attitude and installation of the Maintenance Storage Facility recently completed here at Monarch Country Club.

Robert served the community here at Monarch Country Club in a dedicated and expeditious manner and we are grateful to have had the opportunity to work with Robert in this endeavor.

Should we need any further facilities your company will be the first we contact.

Respectfully,

Norm Spector, Property Manager
