To Whom It May Concern:

I have had the pleasure and privilege of working with Bayview Construction on the Holiday Inn Express project in Stuart, FL. From the initial meet and greet through the construction of the hotel, I found the staff at Bayview to be professional, courteous, organized, prompt and reliable. The building speaks for itself.

I would welcome the opportunity to work with Bayview again and would not hesitate to recommend them to my clients in the future.

Regards,

G. Matthew Butler
